A man in a dark blue suit and tie is holding a small model of a two-story house with a dark roof and orange walls. The house has white trim and a small porch. The background is a solid blue color.

BUSINESS PLAN

About Company

Secure Funds India is involved in Public Services since last many years, till now we were working on Goods and Services but in the last few years we realized that now the time has come to work in Forex. Inspired by this, Secure Funds has been related in January 2023 from Russia with the goal of being a decentralized project. Golden Eagle World mission is to bring popular Forex and crypto currency concepts into the mainstream. Unlike older, comparable projects, Golden Eagle World introduces holders to next generation concepts such as participatory rewards, NFTs, decentralized exchanges, and more.

Company Mission & Vision

Our Mission

Our mission is to provide innovative investment solutions and objective, independent investment advice to investors throughout the world. As stewards of your investments, we believe it's important to invest in a sustainable and responsible way on your behalf. We're committed to developing a culture of expert and passionate people. Successful teams create success for our customers, our shareholders and our community.

Our Vision

Secure Funds India has a concrete vision of following the guiding principle of network industry by holding the hands of our associates to help them reach the pinnacle so often under achieved by associates with astounding personal and professional abilities

Founders

Pavel Brass is born and bred in Herefordshire UK. After he left school he studied at the local technology college to become a Secretary. He started admin career at a local firm of solicitors. He has subsequently worked at various legal firms and also the mid-tier and local level firms of accountants. He decided at 40 to enter into the world of forex and crypto being an entrepreneur leading to this opportunity of forex and crypto currency and decided to create a coin!

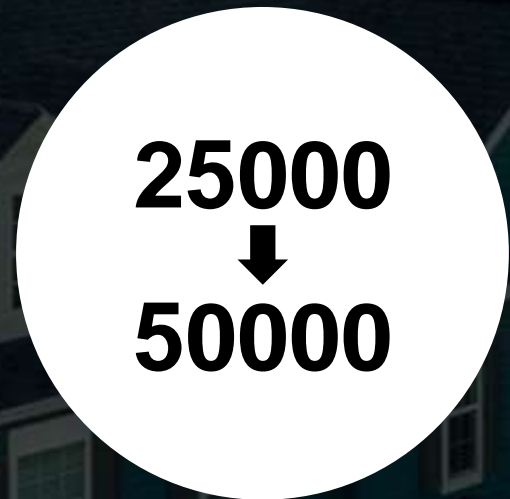

-- Pavel Brass

Kris Hebb is born and brought in Moscow (Russia). After passing out from school He moved to London to pursue his further studies. He did his Diploma in International Business Management from Wands worth College London UK, where he met with Pavel Brass. After coming back from UK, He started a few businesses like Textile Factory and Real Estate with small investments in forex and crypto where he collected some good knowledge about the industry. Now with Pavel Brass they are starting a project with long term vision to create an empire with the forex and crypto community of the world.

-- Kris Hebb
